## BECAUSE OF YOU IN 2018

Because of you in 2018:

We were able to make a trip to Texas to minister to the sick and they have recovered, visit our Hondo church family and be an encouragement to our families who was recovering from hurricane Harvey.

Mike has been teaching a series called, the "God kind of Life", with Church on The Word Fort Gibson. Throughout this year as well as Audra getting to share the Word on tithes and offerings.

We had a blessed service with the Women's group of Ablaze church in Broken Arrow, many healed and set free from condemnation of their past. And bringing the Word of The Lord to Lost Come Home Ministries.

We had filed for our 501(c)3 to become DRMII and are now complete and fully debt free of all the cost of the process thanks to all of you!!!

Andrew & Megan graduated from Rhema Bible college this summer doing great things in worship, working with the youth and be a great source of help serving DRMII. Andrew was baptized by Pastor's Kenneth & Lynette Hagin!!!

Bethy had the privilege of doing research on the very thing God has gifted her in, which is to study medicine from a Naturopathic standpoint. She made her own vegan kimchi and performed microbiological tests concerning the identity of microbes present in it and the health benefits they possess. All of which helps us live a healthy life in Christ.

You have helped fund many travels for ministry, outreach, and to honor our veterans. Many people were healed, restored and an abundance of encouragement shared because of you. Thank you for all we have accomplished for His Glory and we look forward to the new year!!!
